OWNER \ PLANT A SEED CARDS

Q: What product or services does your business provide?

A: Plant A Seed greeting cards convey knowledge and wisdom, the scripture Matthew 17:20, and a mustard seed. Greeting cards are a great way to communicate from the heart. Faith of A Mustard Seed bracelets are handmade representations of the simplicity and intricacy of walking by faith.

Q: What inspires you and why?

A: All scriptures about faith inspire me. Faith is the bridge between where I am and where God is taking me. Walk by faith and not by sight – I have a vision for my business without knowing how things are going to happen. I feel led to my purpose by God to spread faith to people around the world.

Q: What advice do you have for other women in business?

A: Put God first, learn from your mistakes, and take things slowly. It's a marathon, not a race. Pace yourself. Build a network of like-minded people who are honest and supportive. Build a sisterhood and share your wisdom to prevent them from making the same mistakes you made when you were starting your business.
